

AQA drink WDCS

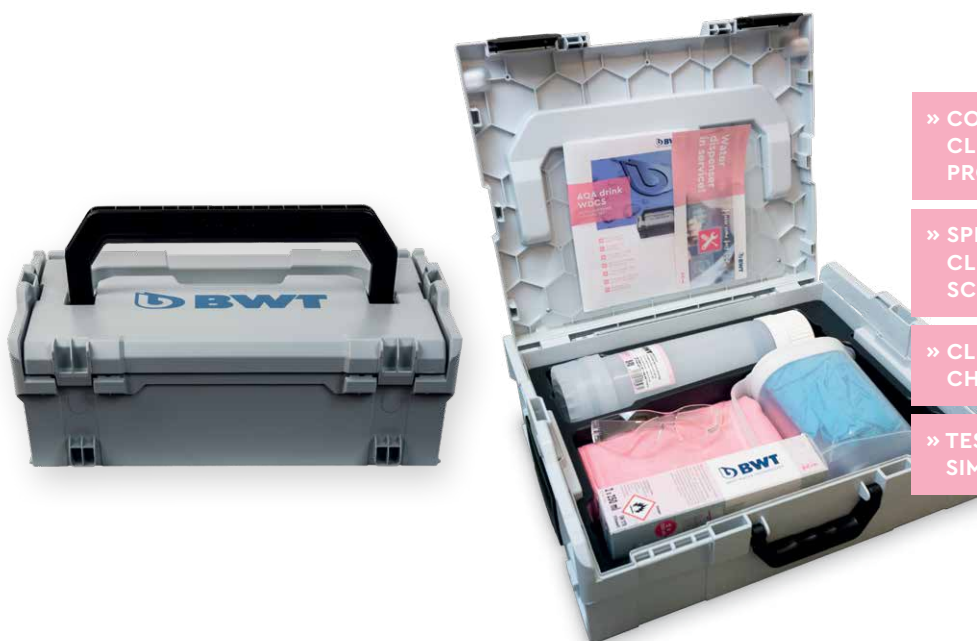

WATER DISPENSER
CLEANING SET

HYGIENIC SERVICE SET - SOPHISTICATED CLEANING AND SERVICE PROGRAMME

The BWT AQA drink WDCS is specially designed for cleaning and disinfecting AQA drink water dispensing solutions. The kit includes all of the elements needed to carry out cleaning and disinfecting of water dispenser systems five times. The equipment is tested, highly effective and easy to use.

Cleaning cartridge

The cleaning cartridge BWT AQA drink universal service cartridge included in the kit has been specially developed for cleaning AQA drink water dispenser systems. The base of the cartridge can be unscrewed to make it easier to pour the cleaning agent into it. The cleaning cartridge is screwed into an AQA drink filter head of the system to be cleaned instead of the used filter cartridge. It automatically fills with water and the cleaning process can be started immediately.

» CONTAINS EQUIPMENT FOR 5
CLEANING AND DISINFECTION
PROCEDURES

» SPECIALLY DEVELOPED
CLEANING CARTRIDGE WITH
SCREW BASE

» CLEANING POWDER THAT
CHANGES COLOUR

» TESTED, HIGHLY EFFECTIVE AND
SIMPLE TO USE

Disinfectant cleaner

AQA drink WDC45 is a disinfectant cleaner in powder form for the internal cleaning of water dispenser systems. It cleans, descales and disinfects quickly and efficiently. Rapid quality control is possible due to the colour change: The pink solution loses colour if organic contamination is present; if the solution stays pink the lines are clean. The water-soluble powder dissolves quickly and fully, even in cold water. Precise dosing is quite simple thanks to delivery in 45g sachets. The solution is chlorine-free and only contains natural water components after cleaning, therefore allowing environmentally friendly cleaning at the highest level.

Disinfectant spray

AQA drink disinfectant spray surface cleaner is food-grade, skin-friendly, environmentally friendly and kills 99.999% of germs and bacteria. It is sprayed undiluted onto the surface to be disinfected and wiped off after being left for a short time. No need to rinse.

OVERVIEW DATA

INFORMATION	WDCS
SERVICE KIT ARTICLE NUMBER	825407
CONTENTS	QUANTITY
CLEANING CARTRIDGE	1 x
DISINFECTANT CLEANER	5 x
DISINFECTANT SPRAY (2 x 250 ml)	1 x
